Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 14 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright start, rain later. Drier on Monday.

Today:
A bright and dry start, but cloud increasing through the morning. Outbreaks of rain arriving by midday, heavier over hills and possibly wintry on hills. Windy to start, but easing somewhat during the day. Feeling chilly in the wind. Maximum temperature 9 deg C (48 deg F).

Tonight:
Outbreaks of rain at first easing during the evening. Cloud breaking, to leave a dry night with clear spells, perhaps giving a frost in prone spots. Minimum temperature 0 deg C (32 deg F).

Monday:
Mostly dry on Monday with some bright or sunny spells. Just a chance of the odd shower around lunchtime. Feeling milder in light winds. Rain arriving in the evening. Maximum temperature 10 deg C (50 deg F).

Outlook for Tuesday to Thursday:
Cloudy with rain to start Tuesday, rain clearing later but remaining largely cloudy. Becoming windy Tuesday, easing early Wednesday. Largely cloudy Wednesday and Thursday with some outbreaks of drizzly rain.
